RAKSHA TAILOOR RAJESH

Colorado | 303-392-9141 | raksharajesh555@gmail.com

Professional Summary

Business operations professional with an MBA and B.Com, experienced in international stakeholder coordination, workflow monitoring, data-quality checks, discrepancy resolution, and Excel reporting. College Red Cross and NSS volunteer with community health outreach, survey support, registration, and event coordination experience.

Professional Experience

Associate, Business Operations | Mindtree (via Randstad)
Mar 2022 – Nov 2022

- Coordinated order workflows for clients in two countries (US and Canada), tracking outstanding requests and sharing updates through email and Microsoft Teams to support timely processing.
- Processed up to 200 orders per day during peak periods, maintaining transaction records across Salesforce CPQ, AS400, and SPS Portal.
- Personally corrected approximately 100 invoice or order discrepancies per day by comparing source records, investigating calculation errors, and updating inconsistent data.
- Prepared 8–10 Excel reports daily, plus weekly and monthly reports, to track order activity, pending requests, and discrepancies and share progress with stakeholders.

Volunteer Experience

Volunteer, Event Coordination and Administrative Support | Hindu Temple of the Rockies
Sep 2023 – Present

- Supported approximately one community event per month, including events with 500+ attendees, through registration, participant tracking, and organizer communication.
- Maintained Excel participant and payment records for recurring community events, flagging missing information and following up with organizers to support accurate event tracking.

Red Cross Volunteer | College
By Oct 2021

- Supported approximately two blood donation camps per year, coordinating event preparations, volunteer activities, and participant registration alongside health-awareness outreach.
- Collected health-awareness survey responses, checked participant records for missing information, and organized findings for post-activity summaries.

National Service Scheme (NSS) Member | During B.Com
Completed Oct 2021

- Supported event budgeting approximately once every three months, recording student and teacher contributions and tracking funds and expenses for community-service activities.

Academic Experience

Student Academic Support, Accounting | B.Com / CA CPT studies
By Oct 2021

- Helped approximately 45 junior students with accounting concepts and delivered 3–4 board presentations during CA CPT classes.

Education

Master of Business Administration (Marketing) | Chandigarh University, India
Dec 2021 – Jun 2023

Bachelor of Commerce (B.Com) | India
Oct 2021

Independent Project

Public Health Research Operations Tracker | Portfolio project plan
Sep 2026 – Present (in progress)

- Outlined a simulated community-health study tracker for recruitment, survey completion, missing-record follow-up, and site milestones; Excel workbook and dashboard are planned, not yet completed.

Certifications

Tally ERP 9 Certification
