PROFESSIONAL EXPERIENCE

Hindu Temple of the Rockies — **Denver, Colorado**

Program Operations & Financial Tracking Coordinator (Volunteer) — 09/2023 – Present

- Maintain Excel master ledgers tracking ~$40,000 in monthly donations and payments across ~600 transactions, including restricted funds designated for specific programs and events, and run monthly reconciliation cycles.
- Analyze spending data in Excel PivotTables to prepare budget-to-actual reports across 5 organizational supply lines (Operations, Kitchen, Pooja, Supply Procurement, and Accounts) against a ~$350,000 annual budget, flagging variances and guiding resource allocation.
- Audit participant registrations and payments for programs and events serving 500 to 1,000+ participants, ensuring records match funds collected.
- Coordinate program logistics, public inquiries, and volunteer scheduling, keeping operations consistent with organizational standards.

Randstad India Pvt. Ltd. (Client: Mindtree Ltd.) — **Bengaluru, India**

Business Operations & Procurement Associate — 03/2022 – 11/2022

- Audited compliance for up to 200 procurement and purchase transactions daily across Salesforce CPQ, AS400, and Excel, maintaining complete audit trails.
- Reconciled an average of 100 order and invoice discrepancies per day, using root-cause analysis on payment variances to clear ~$150,000 in billing exceptions per month.
- Analyzed transaction and exception data to produce 8–10 daily audit logs plus weekly and monthly reports, identifying recurring error patterns and giving leadership clear pipeline visibility.
- Coordinated across 5 stakeholder teams, including Finance, Procurement, Sales, and external vendors, to resolve pending contract requirements.
- Introduced data validation checks across procurement workflows, reducing transaction errors by ~25% and cutting exception turnaround from 5 to 2 days.
